

Saint Clement Nativity Registration & Rehearsal Contract

Deadline: Return by December 8th to the Parish Office

Please list your child's name, grade, and any speaking or performance skills your child may have. We will assign roles to fit the parts. Participants will agree to attend the Christmas Eve Mass and all three rehearsals. Also, we are looking for parents who will be able to assist during the rehearsals or prior to the start of Mass, so please let me know if you are available.

The Christmas Nativity is fun for the children and gives them a sense of leadership and confidence. Most importantly, it enhances their understanding of the meaning of the Christmas Scriptures and creates memories for your family and the entire Parish community.

Please feel free to contact me with any questions that you may have and return this form back to the Parish Office.
